WORK EXPERIENCE

3 Strand Sports & Entertainment, Remote September 2024 - Present
Operations & Agency Liaison / Senior Educational Administrator

- Manage intern assignments across operational research and creative projects, delegating work based on vertical needs and tracking deliverables for client-facing initiatives.
- Use AI tools to track intern workflows and upcoming agency events, create weekly game schedules featuring our athletes, and create graphics for pitches to send to brands.
- Coordinate with internal legal and account management teams to ensure partnership contracts are fulfilled and compliant with NCAA guidelines.
- Support the development & execution of 3 Strand's educational verticals, including in-person camps (business leaders & youth football) and online programs.

Brand Partnerships Manager

- Negotiated deal terms and managed stakeholder relationships for a roster of 110 college athletes and led the marketing efforts for 5 NFL players.
- Supported the discovery and execution of over \$1m worth of brand partnerships for our college football roster between 2024-2025.

528 Collectibles, Glen Cove, NY January 2023 - January 2024
Chief Growth Officer

- Led partnership efforts at a startup collectibles trading company, expanding live break distribution from a single platform to four, while launching a new eBay sales vertical.
- Conceived, hosted, and co-produced a companion podcast as an additional audience-growth and brand-partnership channel.

Ankura Consulting Group, New York, NY September 2020 - February 2022
Associate, Turnaround & Restructuring

- Supported the restructuring/asset sale across two client engagements - a \$300m-revenue produce distributor and a \$1.5b-revenue school bus manufacturer.
- Led the preparation and filing of court-mandated financial statement packages for the two aforementioned restructuring cases.
- Continuously evaluated financial and operational metrics of distressed companies to identify restructuring triggers and strategic intervention points, including analysis of debt, EBITDA/cash flow, and credit ratings.
- Designed a comprehensive onboarding tutorial to train new interns in client research best practices, improving onboarding efficiency.

Harvard University & Boston College Graduate Internships September 2024 - May 2025

- Supported the athletic marketing partnership activations and event operations across six NCAA Division I sports including the NCAA Lacrosse Championships, the Harvard v. Yale Football Game, and the ACC Softball Tournament.

SKILLS & INTERESTS

- Artificial Intelligence (Claude Code, ChatGPT, Gemini), Excel, PowerPoint, Apple iOS, Tableau (data visualization)
